

BUNNYMAN ON aLert for
action

the evil BUNNYman fiercely defends
his prey, warning off an interloper. Notice the expression in her
eyes... "my hero." No... make that "my superhero... BUNNYman... the one
and only." In another moment, BUNNYman will remove his lead-
shielded glasses to unleash the fearsome BUNNYrays (tm). You don't
want to be in that gaze...

the zen of BUNNYMAN

BUNNYMAN IS NOT DEVOTED SOLELY TO VIOLENCE AND FOUL PLAY. IN A MOMENT OF PAUSE BEFORE HIS PERSONAL ALTAR, BUNNYMAN PAUSES IN A MOMENT OF ZEN CALM AS HE CONTEMPLATES THE UNIVERSE, NOTHINGNESS, AND HIS PLACE IN THIS MORASS.
